

# 大学院特別講義のご案内

- 日時:平成27年3月18日(水)17:00～18:30
- 場所:弓倉記念ホール
- 講師:Professor Donald A. Curtis (University of California San Francisco)
- 演題:How to manage patients at high risk for dental caries
- 要旨:

What is new in managing dental caries? This will be a discussion of caries management by risk assessment. We will discuss patient compliance, motivational interviewing, and how to maintain the health of teeth that are part of fixed bridges and partial dentures..

問合せ先:有床義歯補綴学・高齢者歯科学分野(内線2954)
