

大学院特別講義のご案内

- ◆日時：2018 年 7 月 17 日（火）17 時から 18 時 30 分
- ◆場所：大講義室（D 棟 4F）
- ◆講師：Professor Sven Kreiborg （Copenhagen University, Professor）
- ◆演題：*Craniofacial, Dental, and Upper Airway Aspects of Some Skeletal Dysplasias*
- ◆要旨：Numerous skeletal dysplasias are associated with craniofacial, dental and upper airway problems that should be considered in the overall care and treatment of these patients. The lecture will give insight into such problems in a few skeletal dysplasias including achondroplasia, pynodysostosis osteogenesis imperfecta, and tricho-rhino-phalangeal syndrome.
