

大学院生特別講演のご案内

- 講演テーマ
Advancement of AI in medical imaging and future outlook
- 講演者
FAN-PEI YANG 先生(National Tsing Hua University)
- 講演日時
2023年 1月17日 18:00-19:30
- 講演場所
歯学部D棟 4階 大講義室
- 講演の概要

The talk will introduce machine learning and deep learning algorithms that yield good results for detecting lesions and metastasis. We will discuss about the advantages of using AI techniques in clinical settings. Applications in dentistry will also be introduced.
