

大学院生特別講演のご案内

- 講演テーマ

Application of CBCT imaging in Endodontics

- 講演者

Prof. Sanjay Mallya (UCLA School of Dentistry)

- 講演日時

2022年12月6日 18:00-19:30

- 講演場所

歯学部D棟 4 階 大講義室

- 講演の概要

CBCT imaging has enhanced diagnostic accuracy and decision-making in endodontic patient care. The American Association of Endodontists and the American Academy of Oral and Maxillofacial Radiology have developed guidelines to apply CBCT imaging. This presentation will present a case-based approach to these guidelines. Additionally, I will present data from a study evaluating the validity of these guidelines in endodontic care.
