

# 大学院特別講義のご案内

◆日時：2024 年 6 月 18 日（火）17 時半から 19 時

◆場所：D 棟 4 階 大講義室

◆講師：YANG FAN-PEI

(Professor, Artificial Intelligence Center , National Tsing Hua University  
Founding director, Center for Cognition and Mind Sciences, National Tsing Hua University)

◆演題：**"Introduction of Resting-state fMRI analysis and its applications"**

◆要旨：

Functional MRI has been widely used to study human cognition in both neuroscience and medicine fields. Especially, resting-state fMRI is used to image patients' brain without asking them to complete tasks, therefore can be applied in a wide range of patient populations. The lecture will introduce the analysis of resting fMRI and clinical applications. The lecture is suitable for anyone who is interested in using fMRI to understand the brain.
